- 11. No upgrades will be allowed on concession season membership for home/away or cup matches.

 12. The tickets enclosed in the season membership book are non-transferable and should be used by the correct age category of who the season membership was issued to.

 13. During periods of priority purchase for away and cup matches, the season membership book must be produced at the point of purchase and the priority is for use of the member holder, so a like for like ticket will be issued in this instance.

 14. Supporters can only purchase Season memberships in the Family Area if they are accompanied by a Junior 17 years and under season membership holder. Subsequent seasons will follow these T&C's and therefore once the Junior reaches the age of 18 years as at 1st August, supporters will have to renew outside of the family area.

 15. Failure by the club to enforce any of its terms and conditions at any stage does not constitute a waiver of those terms and conditions.

 16. The Keepmoat Stadium is a non smoking venue and this policy must upheld by season ticket holders at all times

 17. Spread payments may be available in a format of 3, 6 and 10 month for season ticket purchases, depending on the time of purchases, these are subject to a non refundable £20 administration fee. Those who chose to take the direct debit option should be aware that there is a £5.00 charge for any default incurred on a due payment, this will be added to the next spread payment
