TERMS AND CONDITIONS

The attention of all persons entering the Keepmoat Stadium is drawn to the ground regulations, copies of which are available at the Box Office and in the stadium concourses. The regulations governing entry into the stadium will be strictly enforced in the interest of ground safety, public liability and fire prevention. The local authority, in conjunction with the football club, the Football League, the Football Association, the Police, stewards and other match day staff, is empowered to see that regulations are enforced. Entry into the ground implies that the holder of this membership book accepts the regulations and the full implication they contain.

1. Ticketholders are reminded that the membership book admits one person only. The club accepts no responsibility whatsoever for tickets, coupons, vouchers mislaid, lost or destroyed and no duplicates will be issued in this event. You may also be required to sign a document confirming the original season membership book is irreparably lost, stolen or destroyed and indemnifying the club against direct or indirect consequences of such matter being falsely represented or stated to the club.
2. Season memberships are valid if a league match is postponed. In such an event please check with the club for information regarding matches so affected.
3. It is against the club regulations for persons to pass juvenile or adults over/beneath/through a turnstile without a ticket.
4. Permits are not issued to allow movement from one side of the ground to the other nor from one part of a stand to another, nor to leave the ground or re-enter.
5. The season membership book must be produced when gaining entry, as match ticket vouchers will not necessarily be torn out in sequence. If the season membership book is not presented at the turnstile, supporters must expect to pay for admission, as no duplicate will be issued under any circumstances.
6. The season membership book remains the property of Doncaster Rovers FC at all times and its use is subject to rigid compliance with the terms and conditions applicable. The club reminds supporters purchasing Season memberships that Doncaster Rovers FC reserve the right to withdraw the season membership book from any person at anytime should that person contravene any ground regulations or terms and conditions.
7. The season membership is valid for English Football League (EFL) home games only (not play offs). For any such fixtures at Keepmoat Stadium the holder must either contact the club or see any special advertising that may be made for such matters.
8. A season membership permits you to occupy, at the match the seat indicated on the season membership book or such alternative seat of equal price as the club may, from time-to-time, allocate to you at its reasonable discretion. The club reserves the right to make special offers to non-season ticket holders during the season.
9. Nothing in these Conditions of Issue shall constitute or imply entitlement to occupy the seat indicated on the season ticket in any subsequent season.
10. Any season memberships obtained or used in breach of the terms and conditions of entry shall be automatically void and all rights conferred or evidenced by such season tickets shall be nullified. Misuse of this season membership may result in the holder being refused entry to, or ejected from, the ground in respect of the particular match and/or the cancellation and withdrawal of this season membership. In the event of any cancellation or withdrawal in accordance with this clause, no refund shall be payable to the holder in respect any unexpired portion of the season membership. The club further reserves its right to take any legal action against any person as it sees fit in connection with such matters.
11. No upgrades will be allowed on concession season memberships for home/away or cup matches.
12. The tickets enclosed in the season membership book are non-transferable and should be used by the correct age category of who the season membership was issued to.
13. During periods of priority purchase for away and cup matches, the season membership book must be produced at the point of purchase and the priority is for use of the member holder, so a like for like ticket will be issued in this instance.
14. Supporters can only purchase Season memberships in the Family Area if they are accompanied by a Junior 17 years and under season membership holder. Subsequent seasons will follow these T&C's and therefore once the Junior reaches the age of 18 years as at 1st August, supporters will have to renew outside of the family area.
15. Failure by the club to enforce any of its terms and conditions at any stage does not constitute a waiver of those terms and conditions.
16. The Keepmoat Stadium is a non smoking venue and this policy must upheld by season ticket holders at all times
17. Spread payments may be available in a format of 3, 6 and 10 month for season ticket purchases, depending on the time of purchases, these are subject to a non refundable £20 administration fee. Those who chose to take the direct debit option should be aware that there is a £5.00 charge for any default incurred on a due payment, this will be added to the next spread payment
